Tuesday 24 November is the key date - this is when you can vote by telephone. The number will be available on the website (below) and in the **Daily Mirror**

A short film about our project and one other will be shown during the **ITV Anglia regional news** at **6.00pm*** that day. The number to dial will also be broadcast in the programme

Our success relies on **you** and as many contacts, friends and relatives, as you can muster, making calls to the voting number
